EXPERIENCE

Internship as Python Developer | August 2024 – November 2024

at cravita technologies india private limited

- At the Internship, I Learned more about Python. Also learned about Databases and some Python frameworks : such as Flask and Django.

Internship as Web Developer | October 2023 – December 2023

at SkillVertex

- Using HTML, CSS, and JavaScript, I have crafted visually captivating and responsive web designs. Creating functional and streamlined websites with back-end development exposed me to server-side languages like PHP
- I independently completed two projects: the "Movie Streaming Site" and a Hospital website developed using PHP.

SKILLS

Expert in : Python(with Django, Flask); JavaScript
Intermediate in : C++; SQL ; Html; Css
Basic in : Php

- **Communication**
